Below are two extracts from the clubs A.G.M. dated 28th January 1964 showing the work being done towards the permanent pavilion.

1)

Apologies for absence was expressed on behalf of the Chairman Mr. E. Bridgestock - Choat by the Management Secretary who informed the Meeting that due to the serious operation which the Chairman had undergone before Christmas although he was home he was not yet fit enough to attend the Meeting but he sent his good wishes for a successful evening.

The Vice-Chairman Mr. C.A. Cole, stated to the Meeting that he felt this was a good opportunity to put in the Minutes the deep appreciation which the Club felt towards their Chairman and the very good work he had done behind the scenes for the past few years in his negotiations with the Parish Counsel for the Pavilion and it was agreed that a letter of appreciation and good wishes for a speedy recovery should be sent to Mr. Choat by the Secretary.

2)

Mr. Thomas Gomm and Mr. Ian Gomm gave a report on the new pavilion project confirming to the meeting that in principle the Parish Council had given the o.k. but that it was now necessary to obtain planning position from the Rural District Council and then the whole project must be submitted to the Lord of the Manor but it was felt that at this stage plans could go ahead for raising necessary funds for the pavilion.

An extract from the club's A.G.M. dated 13 October 1964

The Chairman then gave a report to the meeting on the progress of the new Pavilion. He explained in detail the work that was carried out over the last eighteen months, that permission had now been given, both by the Lord of the Manor, Chesham Bois Parish Council as lessees and the Rural District Council had given planning permission and we could therefore go ahead with the new Pavilion.

An extract from the Parish Council Meeting dated November 1964 about the permanent pavilion.

Chesham Bois Cricket Club. An amended plan of the proposed pavilion to be erected on the common was submitted by the Cricket Club. The alterations provided for exit doors at the rear (suggested by the County Fire Officer) and modifications to the veranda to minimise the possibility of wilful damage, and concrete flooring. The amendments were approved and it was agreed that the plan be submitted to the Lord of the Manor for his approval. It was understood that the Club would submit an application for assistance under the Physical Training & Recreation Act and the Council agreed in principle to support such an application.

Club Plan for new pavilion approved but -

CHESHAM BOIS Cricket Club's request to build a new wooden pavilion on The Common was approved in principle at Chesham Bois Parish Council's meeting on Tuesday.

The club want a larger, permanent 25 by 18 ft. pavilion with adequate toilets to replace the present small building.

However, there is one possible hitch which worries the council. The clerk is to make inquiries about the legal position of placing a permanent building on The Common.

FORBIDDEN?

It is understood that permanent structures are forbidden on such common ground. But the council feels that the proposed small pavilion would not mar the existing rural amenities.

Mr. F. W. E. King, chairman, said: "We, as a Parish Council, should try and meet the wishes of the cricket club."

Mr. W. Russell Neill agreed, but added: "I feel the calibre of this construction should be the subject of close scrutiny. We seem merely to have a hut. I think we must require a building of good structure which would not spoil the Common."

'LARGE'

"It is a building relatively large for the area of the Common and we don't want it to be obtrusive. An attractive cedar building would be much better."

Mr. King suggested that the Amersham Rural District Council should be approached over the possibility of a small grant for the scheme.

Major H. E. Eayres considered the proposed pavilion to be too big a structure, so abstained from voting.

THOUGHTS OF THE 1964 SEASON

WRITTEN BY MR. STAFFORD BURBRIDGE
PLAYER 1964 – 1977

WRITTEN DECEMBER 1982

Stafford Burbridge
Pictured in 1969

This was my first season with the club. I was coming home on the train one day when I got talking to a bloke about cricket. This bloke was David Smith, who was the Chesham Bois Saturday skipper and also, I recall, Team Secretary. He told me the club wanted a wicket keeper and, presto, the next Saturday I turned up at the common to play my first game, against The Hill from Harrow. Our bowling in those days

consisted of David Smith and John French, the Saturday vice captain, who was a very steady and quite pacey bowler. That was the opening attack and the supporting bowlers consisted of the likes of Peter Nash and dear old Len Hammond and one or two others whose names escape me at the moment. To be perfectly honest we had a pretty weak team that season and David Smith used to spend quite a lot of time on Saturday mornings cajoling and rounding up players. David didn't possess a car at that time so I used to pick him up from his house in Old Amersham on Saturday afternoons

I remember very clearly on one occasion that season driving David to the common when he spied two young blokes walking in the direction of Copperkins Lane. He shouted out at them, "Where are you going?" One of them replied "Nowhere special David". To which he replied, in a voice that could be heard away in Chesham, "Yes you are, you're on your way to the common", that day at least we managed to turn out a full eleven men.

Bill Washington was, of course, the club scorer and we would collect him from his cottage in Copperkins Lane before every game.

I only played on Saturdays for Chesham Bois in those days. One of the reasons for this was that David Smith had his own team "Caboclo" on Sundays, nothing to do with Chesham Bois, and I frequently found myself playing for them.

If my memory serves me right David Smith resigned as Team Secretary at the beginning of the 1965 season, after a fracas with David Hearn at the common. That was how yours truly came to take on the job of Team Secretary.

One thing I do remember about the 1964 season was that I came second in the batting averages, mainly due to the fact that I was not out on many occasions. Shows you what a poor batting side we had that season doesn't it.

Stafford Burbridge (1964-1977) + 1 game in 1985.

An enthusiastic cricketer and dedicated club member. Most of his career was spent behind the wickets as keeper, an art he performed most capably. He was a regular lower order batsman who stubbornly defended his wicket and shared many a match saving effort during his career. Always keen to help out in the club affairs he held the office of club secretary in the years 1967-1971 inclusive. A cheerful jovial person by nature he was missed when he retired from playing cricket to take up bowls at Chalfont St. Giles where he again became involved in the club's matters.

114. REPORT OF COMMONS AND OPEN SPACES COMMITTEE

Proposed Cricket Pavilion. The Chairman reported that the Cricket Club had applied for Grant Aid to the Department of Education & Science, and H.M. Inspector dealing with the matter had indicated that the Department would like the Club to have a lease for the pavilion site for a period of ten years. In order that there should be no undue delay in considering this question the Clerk had been requested to ascertain the views of the Lord of the Manor to the proposal and if these were favourable the Parish Council's Solicitors should be requested to prepare a draft lease for consideration at this meeting if possible.

A letter was read from Messrs. Francis & How stating that the Lord of the Manor had no objection to a lease being granted and that he would be willing to join in any document the Parish Council would care to submit in order to carry this out.

The Clerk reported that he had instructed Messrs. Blaser, Mills & Lewis accordingly and an acknowledgment had been received to the effect that it was hoped to have a draft document ready for the Council's consideration by March 8th. The document had however not been received.

The Chairman's action was unanimously endorsed and it was also unanimously agreed that the Chairman be given authority to approve the draft on the Council's behalf if necessary.

Excellent catching

Chesham Bois batted first against T.T. Boughton at Chesham Bois Common on Sunday, against accurate and hostile bowling from Puddephatt and Rutland. The home side struggled, and were all out for 63.

Hearn broke through Boughton's batting, taking 4 for 24 and Arnold took 3 for 13, but Carter looked like pulling the game round with an aggressive 23 before he was magnificently caught at cover by Channer off Baldwin.

At the close Boughton's were 13 runs short of victory. A deciding factor in this close match was the excellent Chesham Bois catching.

Plested and Arnold help extend run

Chesham Bois Saturday XI extended their unbeaten run on Saturday at Chesham Bois Common when they defeated West Wickham by 62 runs. Chesham Bois have not lost a game since early May.

Runs were difficult to get and Chesham Bois, who batted first, looked in serious trouble after B. Stacey bowled both openers for "ducks", and at one stage they were 16 for 4. D. Plested, however, batted soundly for a match-saving 30 before being l.b.w. to Evans.

He was supported by dour defence from S. Burbridge and aggressiveness from A. Greenham and J. French and Chesham Bois finally reached the total of 89.

Chesham Bois were handicapped in the field by the loss of seam bowler J. French, who had to retire from the match with a recurrence of a cartilage injury which had prevented him from playing so far this season, but D. Plested, supported by P. Arnold's off-breaks proved more than a match for the West Wickham batting.

Arnold struck the first blow by bowling Wallis for two and together with Plested they ripped through the visiting batting.

Plested took 5 for 13 and Arnold 4-13 (those figures included a towering six by Cross, which was the only one of the game). Pad-

ley bowled three balls and took 1 for 0, and West Wickham were all out for 27.

Beaconsfield never looked in the hunt, mainly due to the off-breaks of H. Padley, who spun the ball prodigiously from the start. He finished with the excellent figures of 6 for 20. Beaconsfield were all out for 38.

27 June Bellingdon C.C. v Chesham Bois C.C. played at Bellingdon

62 100 for 7 dec.

(P. Arnold 6 for 24) (D. Plested 52 n.o.)

Chesham Bois won by 38 runs

On Sunday's evidence it was difficult to see how Bellingdon have got so far into the season without winning a match.

Certainly when Chesham Bois batted first at Bellingdon the bowling looked more than adequate, and it took an unbeaten innings of 52 by opener D. Plested to enable Chesham Bois to reach three figures.

John Richardson (3 for 45) and Mick James (3 for 32) were never easy to score off and always looked dangerous. In fact the scoring was so slow that at tea Chesham Bois were only 75 for 5.

It would have been worse, but for an intelligent innings from Gomm who went in with the score at 30 for 4, and he left just before tea with the score at 73. After tea Chesham Bois lost two wickets in pushing the score along and declared after 20 minutes batting, at 100 for 7.

Bellingdon found Chesham Bois off-spinner, P. Arnold in form. He bowled throughout the innings, turning the ball more as the game progressed.

He finished with 6 for 24 and no Bellingdon batsmen looked happy against him.

Bellingdon tried to force the score along but time was running out and wickets falling regularly, but a gallant last-wicket stand by Hart, who made 18 and G. Arnot 10 not out, looked as if it could well save the day.

With only six minutes left for play Arnold yorked Hart and Bellingdon were all out for 62.

Bellingdon lost on Saturday to Ley Hill whom they dismissed for 69, and in fact their final total flattered them for at one stage they were 22 for 7. Even the final score should not have been too much for Bellingdon, but early mistakes in the batting cost them their first win and they could only muster 45.

TOUGH WIN AGAINST POWERFUL VISITORS

CHESHAM BOIS SATURDAY XI BROUGHT OFF THEIR BEST WIN OF THE SEASON WHEN THEY DEFEATED A POWERFUL OLD PRIORIANS AT CHESHAM BOIS ON SATURDAY, BY 23 RUNS.

The home side batted first and found that although they could contain the visitor's attack, runs were hard to get. Accurate bowling, particularly by Bourne, was supported by excellent field placing and very sharp fielding and throwing.

Most of the Chesham Bois wickets fell when the batsmen tried to force the pace. Frankham and Cole made 20 each. Britton made 17 not out.

Old Priorians started badly when opener Barry was run out for a "duck". Wilson, the other opener and P. Tobin were settling down well when Tobin was yorked by the hostile White, who bowled fast and accurate.

Jowett showed some extremely forcing stroke play, and with the score at 40 for 2 the picture looked quite black for Chesham Bois, but the turning point of the match came when, Frankham, fielding close on the leg side took a glorious catch to dismiss Jowett.

Arnold, backed up White and took three valuable wickets. Wilson, who was batting very soundly was eventually run out for 34 when White hit the stumps with a diving throw.

Old Priorians were all out for 68.

Footnote:

Hugh Padley, who appears in the Chesham Bois team above, was at the Edinburgh Academy in 1964 and had his playing record for that season appear in the Wisden Almanack of 1965 (Page 763). His bowling average appeared second in the listings as below:

	Overs	Maidens	Runs	Wickets	Averages
H. Padley.	118.3	27	339	26	13.03

He is not, however, the only Chesham Bois player to appear in the Wisden Almanack. Both Derek and Michael Taylor first started to play, for a few seasons, at Chesham Bois in the mid 1950's before moving to Amersham Hill, then Chesham.

After Chesham they both joined the county circuit, Derek with Surrey and Somerset and Michael with Nottinghamshire and Hampshire.

Their career figures will certainly be in Wisden for the 1960's and 1970's.

PADLEY BARRAGE GOOD ENOUGH

The highlight of Chesham Bois victory over North West Polytechnic by four wickets at Edgware on Saturday was the storming display of free driving and pulling by Hugh Padley who hit 41 runs in 15 minutes to give Chesham Bois victory with 15 minutes to spare.

Polytechnic started quietly on a slow-turning wicket, with Peter Arnold and Dave Plested moving the ball both in the air and off the wicket, although too slowly to trouble the batsmen.

After Fielder had been dismissed for 52 and Pomm for 29, there was very little resistance from the home batsmen and they were all out for 109.

The feature of the Chesham Bois attack was a 17-over stint by Dave Plested who finished with 4 for 27.

In reply, John Cole and Dave Plested formed a solid opening stand before Cole was smartly run out. Frankham found the ball difficult to get away, but hit hard to make 22 before being bowled by Ali.

When Padley arrived at the wicket there were 40 minutes left for play, and the game looked like a draw, particularly when he batted for ten minutes without scoring.

However, this proved to be the calm before the storm, and the barrage that followed put Chesham Bois home by four wickets.

OFFICIAL OPENING OF NEW CRICKET PAVILION

Test Star Opens Village New Pavilion

RESIDENTS of Chesham Bois turned out in force on Friday, when Peter Parfitt, the Middlesex and England Test cricketer, visited Chesham Bois Common to open the cricket club's fine new pavilion. Several hundred people watched the ceremony in fine weather.

In the absence of Mr. F. W. E. King, chairman of Chesham Bois Parish Council, Councillor Cyril Greenacre introduced Mr. Parfitt and said how pleased the parish council had been to know that the pavilion project had proved so successful.

The chairman of the cricket club, Mr. E. Bridestock-Cheat, gave an account of the history of the club's efforts to provide the pavilion, the result of long negotiations by the club with the parish council and the Lord of the Manor of Chesham Bois.

In 1956 permission had been obtained to make use of a small temporary pavilion which had to be removed at the end of each playing season and re-erected the following Spring. This proceeding over the years had resulted in the pavilion becoming gradually unsuitable for use.

The growing popularity of cricket in the village, and the increase in the number of people using the common, showed the growing need for better accommodation.

PUBLIC APPEAL

A public appeal for funds resulted in over £400 being subscribed in only three or four weeks, and this was followed by generous grants from Chesham Bois Parish Council, Amersham Rural District Council, and the Department of Education and Science.

Mr. Bridestock-Cheat thanked all the public bodies named and the residents of Chesham Bois who subscribed to the pavilion fund and presented the club with a shed, chairs, clock and many other items of equipment.

Erection of the pavilion, which provides two dressing rooms, each with washing facilities, kitchen, and two lavatories, and a common room, was undertaken by Mr. Edward Greenham, Chesham builder, who is also a vice-president of the club.

TRIBUTE

Mr. Cheat thought the greatest credit for the club's success, and indeed its continued existence, was due to Mr. Ian Gomm, indefatigable secretary.

Mr. Gomm spoke of the "family spirit" in the club and he also paid tribute to Mr. Cheat for the work he had done for the club.

The key to the pavilion was handed to Mr. Parfitt by one of the younger members of the club, Mr. Tony Greenham, son of the pavilion's builder.

Mr. Parfitt, in an amusing speech, told of some of his more humorous cricketing experiences and was presented by Mrs. Ann Gomm with a silver tankard inscribed to commemorate the occasion.

Parfitt opens new Chesham Bois pavilion

CHESHAM BOIS Cricket Club's new £1,500 pavilion on the village common was officially opened by Peter Parfitt, the Middlesex and England batsman, on Friday.

The Test star was impressed with the new building. He told the 120 members and friends that he had played first-class cricket on grounds with far less plush pavilions.

The key to the new pavilion was handed to Peter Parfitt by Tony Greenham, the 19-year-old son of Eddie Greenham, a Vice-President of the club.

Eddie Greenham's two-year-old grand-daughter, Jane Frankham, also had a part to play in the opening. She presented Mrs. Parfitt with a gift from the club.

The presentation of a bear tankard to Peter Parfitt was made by Mrs. A. Gomm, wife of the club's secretary.

CONDITION

On behalf of Chesham Bois Parish Council, Mr. C. T. Greenacre thanked the cricket club for the condition in which they keep their part of the common.

The village club has seen big changes in the past few years. Six years ago cricketers had to change into their dannels in the trees surrounding the ground. Then a little shed was put up which had to be removed during the closed season.

When the club was given permission to erect a new pavilion, villagers were called upon to help. And they did. In a few weeks £400 was contributed.

With the help of grants, the cricket club was able to give the go-ahead for the pavilion, which is divided into a common room, two changing rooms and a kitchen.

THRILLING FINISH AT CHESHAM BOIS

Chesham Bois faced a big defeat on Saturday when they were shot out for 50 by Beaconsfield 3rd XI, but a masterly display of off-spin bowling by Peter Arnold forced a tie in an exciting finish.

The home side were wrecked by pace bowler Bond who took 6 for 19. He was cutting the ball back sharply and giving the Chesham Bois batsmen a great deal of trouble. Bond was well supported by Hine who took 3 for 20.

At the fall of the seventh wicket Chesham Bois had made only 23 runs, but the last three wickets put on 27, with Roger Loveday batting sternly for 14.

NO EASY TASK

When Beaconsfield batted it was obvious after the first over that they had no easy task. Finch bowled Blundell and Arnold bowled Cowley with only two runs on the board. Arnold continued to dominate the innings and a tremendous duel developed with Harris. Harris was eventually tempted into making a rash stroke and was bowled for 15.

With the score at 45 Beaconsfield had three wickets left and then Arnold bowled Calam and Beynon with successive balls and two runs were required for victory with one wicket to fall. One run was scored off the second ball, but

with his fourth. Arnold bowled Bond.

Arnold's final figures were 12.4 overs, nine maidens, eight runs for seven wickets — all victims being bowled.

HORNE WRECKS CHESHAM BOIS

When Chesham Bois 2nd XI visited Chenies on Sunday to meet Chenies and Latimer 2nd XI, the very good wicket suggested that a lot of runs would be scored. The opening of the match did nothing to dispel this when Whittington and Ashley put on 52 runs in quick time for the home side.

David Plested finally broke the stand by getting Whittington lbw for 25. Skipper Ian Gomm then showed the shape of things to come by bowling Ashley. After that it was all Gomm and only Chenies and Latimer captain, Les Monk played him with confidence.

He was the last to go, being bowled by David Plested for 19. The persevering Gomm finished with the excellent figures of 6 for 23 and Chenies and Latimer were all out for 105.

Chesham Bois made a good start when D. Plested and Burbridge put on 24 before Burbridge lofted a ball to mid-off. After Burbridge had gone Chris Horne took command and had all the Chesham Bois batsmen in trouble.

Chris Horne proved too good for Chesham Bois and although the visitors' batsmen went for the runs they were all out for 65, with Horne taking 6 for 16.
